

# WIN THIS RAMBO SAVAGE 2.0 ELECTRIC BIKE

*\*Actual bike not shown*

*This bike will go up to 20 mph without pedaling with an average range of over 25 miles per battery charge without pedaling, farther with pedal assist.*

*The bike that lit the world on fire and started ALL the buzz! The #1 selling E-Bike in its class for 7 years running! The ORIGINAL e-bike and still stands as a tried-and-true bike in our lineup. Unlike other bike's using the hub motors, we spend countless hours designing the controller to outperform the others by leaps and bounds. This bike is built to perform like a RAMBO. Rambo's entry level bikes are built better than 95% of other E-Bike's "High End" bikes. If you're looking for a high quality, high torque, reliable bike option that has tremendous value, this is the bike for you!*

*It's ideal for going almost anywhere SILENTLY and without leaving a scent trail and perfect for effortlessly getting to distant stands, scouting, carrying equipment, checking trail cameras and even hauling out your trophy.*

*In most states and on federal land it is legal for travel on roads and trails where motorized vehicles are prohibited.*
