

BOW LOANER KITS AVAILABLE

*****ATTENTION Archers and Archery Clubs***Youth and Beginners*****

Perhaps you know of someone that is just getting into shooting archery, but they do not know if they want to invest in buying a bow, arrows, etc.

Wisconsin Bowhunters (WBH) has the answer for you with our Bow Loaner Kits complete with bow, case, 6 arrows, and release that are available from us with a one-year contract for \$50.00. The bows themselves have a great degree of adjustability and can be readily modified to fit individuals of any size or ability.

If the individual is not a WBH member, we'll even include a one-year youth or adult membership.

After the one year, you have the **option to purchase** the bow kit for replacement cost or return everything to WBH accept the arrows.

These kits are available on a first come, first served basis and have basically everything you would need for mentoring. Also available, if needed, are safety vests, two-person ladder stands, ground blinds, etc.

Please email the WBH office for information at:

office@wisconsinbowhunters.org

or call at 1-715-823-4670
