

FROM THE PRESIDENT

Hello to all WBH members. I would like to thank the WBH members who have renewed their membership and say a big thank you and welcome to all new members. As your president, I, along with the WBH board of directors, encourage you to contact us whenever you have questions or concerns regarding WBH or any bowhunting related topics. We were elected to serve you, so please reach out to us!

As an organization, we continually strive to make WBH the best archery organization in the nation by keeping our membership informed of any new proposed regulations that pertain to the archery world we all love. As part of this process WBH periodically posts updates on our official website and on our Facebook page regarding any such proposals we hear about. WBH also communicates with the membership via email when warranted. However, maintaining up-to-date email addresses is an ongoing problem, making this method rather hit or miss. If you have any ideas on how we can better communicate with you please contact me or

Julie at the WBH office. We are always open to suggestions.

»» Thank you to all the members who either sold tickets or bought tickets for our past raffles. WBH will again be holding our December calendar raffle. Tickets will be available as soon as all the paperwork is approved by the state. The cost of the calendar raffle and prize structure will be the same as last year with only 1,000 calendars available. WBH is also planning to hold an electric bicycle raffle, starting right after the first of the year. The drawing for the e-bike will be held at the 2026 WBH annual membership convention.

»» Speaking of the 2026 WBH annual membership convention, while it is only August, planning has already begun. The convention will be held in Stevens Point at the Holiday Inn on March 7, 2026. This will be a historic convention, as we will be celebrating our 85th year as a state bowhunting organization. Wow! The convention committee is making plans to make

this a great convention. It is one that you will not want to miss. With the help of Hoyt Archery, we have secured Hoyt Archery pro-staffer Art Hein as our featured speaker. WBH will also have several collectible items commemorating our 85th anniversary that will be available to those in attendance. Any WBH members who wish to help at the convention, or any other event, can contact Julie at the office, or any director, and we will gladly accept your help and put you to work. Likewise, if any WBH member is able to make or donate something that we can use as a raffle or give away item, we would greatly appreciate anything you are able to do. Plan on attending the 85th anniversary convention. It promises to be great fun!

»» Now let's shift gears to the annual WBH State Broadhead Shoot. The shoot will again be held at Kennedy Park in New Lisbon. Mark your calendar for the dates of September 5, 6, and 7 to attend the shoot. Come and

Continued on page 4.

For a club to be eligible for the 100% WBH Roster every member of the club who hunts with the bow and arrow **must be members of WBH.**

Each year the current club secretary **MUST VERIFY IN WRITING** that every member of the club who hunts does belong to WBH, and must send this written verification to the WBH Administrative Secretary. If your club is not listed and is 100% WBH, and you want it listed, be sure to write and verify with WBH.

Clubs that purchase a WBH membership for their club become a 101% Club.
