# Green Bay Packer Great CHESTER MARCOL

## *Our 78th Annual Convention Speaker*

Chester Marcol immigrated to America when he was 15 years old. He played high school football for three years and then played four years at Hillsdale College. He was a four-time All American and kicked field goals as long as a record 62 yards. Chester was a second-round draft pick of the Green Bay Packers in 1972, and as they say, the rest is history.

Some of his accomplishments as a Packer:

- Chester led the NFL in scoring in 1972 and 1974
- He is the only kicker in football history to make the NFC Rookie of the Year
- All Pro in 1972 and 1974
- Selected to the Pro Bowl in 1973 and 1975
- Inducted into the Green Bay Packer Hall of Fame in 1986
- In perhaps his most memorable game, Chester attempted an overtime field goal against the Bears in 1980. The kick was blocked – right back to Chester, who caught the ball and ran it in for a touchdown to win the game.
- Chester is an avid deer hunter.

Chester has written a book: *Alive and Kicking: My Journey Through Football, Life and Addiction*. He is now working in Libertas Green Bay as a substance abuse counselor.
