Meet Ray Howell

Our 79th Annual Convention Keynote Speaker

Ray has successfully harvested many P&Y whitetails which are his favorite animal to hunt. Following his boyhood dreams has taken him to the frigid cold and snow of the Arctic, the wilderness areas of Mexico, throughout the forests of Canada, the remote regions of the Yukon, and in many of the 50 states including Alaska on his quest to harvest the 28 North American animals. Travels to South Africa have allowed Ray to harvest a variety of plains game, which has also been a dream come true for him.

Realizing his boyhood dreams has not only enhanced his love for the sport of archery and bow hunting but has also provided him the means to help mentor many underprivileged youth by introducing them to the outdoors and the sport of bow hunting through the Kicking Bear Ministry.
