

***Wisconsin Bowhunters Association in partnership with the
Horicon Marsh Archers
Holds their 29th Annual Fundraiser!***

A Special Thank you to all our Sponsors and Donors

The Wisconsin Bowhunters Association (WBH) and Horicon Marsh Archers would like to extend a **special thank-you** to all the individuals and organizations that helped make our 29th annual **Wisconsin Bowhunters Benefit Dinner** a success. Without the generous donations and discounts from our sponsors and donors this event would not have been as successful!

The disposition of these funds is left to the discretion of the WBH Board of Directors to use in maintaining and improving our bowhunting privileges. A special request was made to use a portion of the funds to support our youth through the National Archery in the Schools Program (NASP).

Thank you again for all your support. It is truly appreciated.
